Von Anthony C. Thiselton : 1 Corinthians: A Shorter Exegetical and Pastoral Commentary before purchasing it in order to gage whether or not it would be worth my time, and all praised 1 Corinthians: A Shorter Exegetical and Pastoral Commentary:

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. excellent commentary - short enough for "normal" peopleVon Henry ArchyIf you are looking for a comprehensive and reliable commentary on 1 Corinthians - buy this book (unless you have the money and time for Thiselton's "big" Commentary: New Internationale Commentary on the Greek New Testament - ! Corinthians). Not only answers he questions about

the background of the letter and difficult (and all the other) passages, but he also gives a lot of ideas on how to apply Paul's message in our lives. Stop reading commentaries on this commentary. Get your Bible and this book. You will be satisfied!-----Author may be reached at: [...]

Kurzbeschreibung Anthony Thiselton's lengthy New International Greek Testament Commentary volume The First Epistle to the Corinthians (2000) has become a standard work on 1 Corinthians. In this "shorter" commentary Thiselton draws on his excellent exegesis from that volume but combines it afresh with keen practical and pastoral application for readers at all levels. Thiselton delves deeply into the context and text of Paul's first Corinthian letter as he suggests, section by section, how the book applies to pastoral and practical issues. He draws vivid parallels between the growing church in Corinth and the twenty-first-century church, demonstrating that today's church also faces a seductive culture of competition and consumerism. The church in Corinth preferred its self-centered theology to the Christ-centered gospel of the wider apostolic church. Paul's response in 1 Corinthians, amplified by Thiselton's commentary, becomes a living, practical, transforming word from God for Christians today.
