Von Michael Wombacher : 11 Days at the Edge (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised 11 Days at the Edge (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen4 von 5 Kunden fanden die folgende Rezension hilfreich. Absolute berraschungVon A. MalikKann es gelingen, eine auergewhnliche Auseinandersetzung und Herausforderung, wie es die Teilnahme an einem Evolutionary Retreat ist, in Worte zu fassen, die das WESENTLICHE und ENTSCHEIDENDE dabei fassen, vermitteln, transportieren und begeistert ausdrcken?? Es kann!! Das Buch von Michael Wombacher ist ab der ersten Seite (und fr die darauf folgenden 499) eine berraschung, bei der sich jede Zeile

lohnt. Es geht für mich zu den seltenen Bchern, die eine absolute Überraschung sind. Wie Barbara Marx Hubbard sagt. "epic in scope and purpose" Ganz klar : das verdient volle 5 Sterne.

Kurzbeschreibung Revolutionary idealist and vocal cultural critic Andrew Cohen promotes a new spiritual paradigm in this exploration of a true visionary's controversial school of thought. Though Cohen was once a teacher of personal enlightenment, he now quests for a joint spiritual longing and humanitarian love-two forces that enable and empower each other to the point where enlightenment becomes evolution. Uncompromising in his call for human transformation, Cohen is presented as an illustrious spiritual figure whose liberated consciousness and ruthless deconstruction of the culture around him have kept everyone talking; in 2004, he was invited to address the Parliament of World Religions, an unusual honor for a man buoyed by no established spiritual tradition and unyielding in his demand for integrity. Pressestimmen "Epic in scope and purpose." -Barbara Marx Hubbard, author, "Conscious Evolution: Awakening Our Social Potential" "Spirituality at the cutting edge of human evolution." --Jim Marion, author, "Death of the Mythic" "God: The Rise of Evolutionary Spirituality" "Epic in scope and purpose." --Barbara Marx Hubbard, author, "Conscious Evolution: Awakening Our Social Potential" "Epic in scope and purpose." --Barbara Marx Hubbard, author, "Conscious Evolution: Awakening Our Social Potential" "The clarity, simplicity and integrity of Andrew Cohen's teaching offer important guidance for modern spiritual seekers. Michael Wombacher captures it in a lively, honest account of his experience during an eleven-day retreat." --John White, author, "The Meeting of Science Spirit and What is Enlightenment?" Kurzbeschreibung Revolutionary idealist and vocal cultural critic Andrew Cohen promotes a new spiritual paradigm in this exploration of a true visionary's controversial school of thought.
