Von Ewen Southby-Tailyour : 3 Commando Brigade before purchasing it in order to gauge whether or not it would be worth my time, and all praised 3 Commando Brigade:

Kundenrezensionen Hilfreichste Kundenrezensionen 5 von 5 Kunden fanden die folgende Rezension hilfreich. Ich hatte etwas anderes erwartet... Von N., Florian Beim Untertitel "Sometimes the best form of defence is attack" hatte ich eigentlich an eine spannende Darstellung der Kämpfe in der Helmand-Provinz aus britischer Sicht gedacht, doch leider

entpuppte sich das Buch schnell als die drge Darstellung eines Militrhistorikers. Aufgrund der Schreibweise kommt einfach keine Fahrt in das Buch. Selbst die Schilderungen interessanter/dramatischer/spannender Situationen bleiben flach, weil der Autor seine Darstellung immer wieder unterbricht, um in Anführungszeichen die Eindrcke von Soldaten wiederzugeben. Positiv zu erwñnen sind einzig die beiden Bildteile, die mit schnen und qualitativ hochwertigen Farbbildern zu berzeugen wissen (die Bildseiten sind der einzige Grund, warum ich dem Buch zwei Sterne gebe). Kurzum: Wer eine kraftvolle und packende Schilderung modernen Infanteriekampfes lesen will, ist hier an der falschen Adresse! 0 von 0 Kunden fanden die folgende Rezension hilfreich. It's not comfortable, it's british! Von Bcher-Zebra Den Spruch habe ich zwar bei den Paras in Aldershot gehrt, aber er passt auch hier. Guter Frontbericht aus Mittelalterland. Die drfen offensichtlich auch zurckschieen. Hard as nails - isn't it.

Kurzbeschreibung 'The 3 Commando Brigade's six month deployment in Helmand Province was among the finest pieces of soldiering I have come across' General Sir Richard Dannett, Chief of General Staff In October 2006, the Royal Marine Commandos took up their six month tour of duty in war-torn Helmand Province, southern Afghanistan - the toughest and hottest war zone on earth. After the tactical retreat of their predecessors, the Paras, the Marines knew they would have to take a different approach to have any chance of success. So they took the war to the enemy. Roving and aggressive, the Commandos forced the insurgent Taliban on to the back foot. As a result, they were involved in daily fire fights of an intensity not encountered by British troops since North Korea. 3 Commando Brigade is a thrilling first-hand account of that dogged, heroic pursuit of the Taliban by the ordinary Marines, sailors and soldiers responsible. It is a story of valour, fortitude, supreme physical and mental fitness, and unrivalled professionalism under the most testing of circumstances. The account explodes from the first page with Operation Glacier, a graphic, no-holds-barred account of a Commando attack on a key Taliban base south of Garmsir - a battle that ends with the dramatic recovery of a Corporal's body from alongside the fort by Apache helicopters. From this opening salvo the action never lets up, offering a startlingly honest account of the war in Afghanistan as told by the junior officers, corporals and marines on the ground. Pressestimmen "Masterly... To say that the story is 'action-packed' is an understatement" (HRH Prince Philip) "As a military historian and retired Royal Marines Lieutenant Colonel, the author has pedigree in this genre Southby-Tailyour has great experience of battle." (The Bookseller) Werbetext A heartstopping account of the men of 3 Commando and the six months of brutal combat they faced in Afghanistan
