Wonderful!Von Ein KundeThis book is to be used as a daily guide to helping you looks at aspects of your own life - not as an in depth history of the saints, as one reviewer commented. The author uses an examples of a different saint each day to bring the "lessons" home.I think this is a fabulous book which I have read over and over since I first received it as a gift many years ago. I plan to make this a regular on my gift giving list.1 von 1 Kunden fanden die

folgende Rezension hilfreich. Short, sometimes funny, and to the point. Von Ein Kunde The author has a wonderful light-hearted style that makes you think of saints as real human beings. True, the stories are short, and they leave you wanting to find out more. If you liked this book, try "CALLING ALL SAINTS" by Br. Tom-Nicholas: he has a similiar, heart-warming style but with more in-depth details and length. 1 von 1 Kunden fanden die folgende Rezension hilfreich. A wonderful spiritual help Von Ein Kunde This is a wonderful book, showing that holiness can exist in people how triumphed over their faults. It takes the Jesus image we all want to be, and relates it to people who seem a little more real. It's a wonderful reminder of what we all can accomplish, and what's really important in life.
