Von Ein KundeThis book of daily devotionals is outstanding. Nick Harrison takes a scripture reading, adds a fitting quotation, and then sums up in a reflection. When I received my copy, I intended to start with that day's devotional and then continue daily as the year progressed. However, I was unable to keep from looking at some of the other entries. They are marvelous - easy and interesting to read, but challenging to put into practice. The quotations have obviously been carefully selected and a section in the back of the book lists the authors and tells us something about them. I would not hesitate to give this book to anyone who wishes to expand his or her spiritual life.1 von 1 Kunden fanden die folgende Rezension hilfreich. Daily Answers to What

Would Jesus Do? Von Sandra Howell This is without doubt the best daily devotional book I have ever used. I highly recommend it to anyone looking for meaningful, thought-provoking, insightful, and challenging devotionals. The book should be appropriate for a wide range of age levels. We received one as a Christmas gift last year and I am ordering four for gifts to give this year. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Inspiring Devotional Von Ein Kunde I purchased the book for my 8 year old daughter because I wanted to help her with today's challenges in society. She and I sat down and read the first 15 days of January and she was filled with wonderment! Although we are supposed to only read one day at a time, the flowing quality of the quotes with Scripture and synopsis were easily followed by child and adult alike! Recommended for anyone trying to deal with the madness in today's society and searching for the right answers!
