**Von Ben Dupre : 50 Political Ideas You Really Need to Know (50 Ideas You Really Need to Know series) (English Edition)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised 50 Political Ideas You Really Need to Know (50 Ideas You Really Need to Know series) (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Gute Idee, aber viel zu viele schwierige Themen für einen Autor alleine. Von Benedictus Was soll man von einem Buch halten, in dessen Kapitel "Propaganda" kein Autor der folgenden thematisch einschlägigen Titel zu Wort kommt und auch nicht deren Inhalt reflektiert wird? Sven Linqvist: History of Bombing John MacArthur Jr.: Second Front: Censorship and Propaganda in the 1991 Gulf War Noam Chomsky: Media Control: The Spectacular Achievements of Propaganda (Open Media Series) Phillip Knightley: The First Casualty: The War Correspondent as Hero and Myth-Maker from the Crimea to Iraq (Johns Hopkins Paperback) Entweder kennt der Philologe Ben Dupre die alle nicht, dann war er mit der Aufgabe beauftragt oder er wollte die Zensur- und Propagandageschichte der Kriege der freien Welt verschweigen, dann würde er sich durch seine Selbstzensur in die Reihe der Zensoren einreihen. Die Tatsache, da der Autor

ausgerechnet schon im ersten Kapitel über Freiheit (Liberty) eine inadäquate Zeitleiste (timeline) bereitstellt, auf der nur Bushs Rede vor dem Kongress zum "Krieg gegen den Terror" aufgeführt ist, aber nicht die rechtshistorisch beispiellose Anordnung des USA PATRIOT Acts, mit der die juristische Grundlage für Guantanamo geschaffen wurde und Freiheitsrechte eingeschränkt wurden. Ich vermute, dass ihm dieses Buchprojekt zeitlich und/oder thematisch einfach überfordert hat.

**Kurzbeschreibung** At a time of widespread popular cynicism and profound international unease, the need for clarity over the basic concepts of politics has never been greater. The forces of Fundamentalism endanger our Liberty and Security, while government responses to it may pose a basic threat to Justice, Democracy and Human rights. Corruption, War and Tyranny arouse public indignation which is often inflamed by Propaganda, the blandishments of Political parties and the far-from-disinterested attentions of the Media. The proper limits of the State; the legitimacy of Revolution and Political violence; the ideological tensions between Socialism, Liberalism and Capitalism; the challenges posed by Poverty, Crime and Racism: these and other ideas are essential in interpreting the current political debate and modes of government. In 50 Political Ideas You Really Need to Know, Ben Dupr provides a clear, concise account of key concepts that we ignore at our peril.

**Werbetext** The perfect introduction to the theory and practice of politics.
