Von Brandon Atkinson : 70-489 Study Guide - Developing Microsoft SharePoint Server 2013 Advanced Solutions (English Edition) before purchasing it in order to gauge whether or not it would be worth my time, and all praised 70-489 Study Guide - Developing Microsoft SharePoint Server 2013 Advanced Solutions (English Edition):

Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. Great Reference Book Von Hyder Although when it comes to certification, I never brought any book in my life but Book this inexpensive and full of relevant information, is definitely a good buy. What I like about it is its concision and then the references for further details. I can easily recommend this book to anybody who is looking fwd to write 70489 exam. Best of Luck Vaqar 0 von 0 Kunden fanden die folgende Rezension hilfreich. Good for exam preparation Von Rado Book prepares you for the exam, but use exam dumps and follow links to the web sites in the book as a

supplementary material. Book has some errors and some of important areas are discussed too concisely. As a result I passed the exam, so I recommend to buy it.
