Von Elizabeth Warren : A Fighting Chance before purchasing it in order to gage whether or not it would be worth my time, and all praised A Fighting Chance:

KundenrezensionenHilfreichste Kundenrezensionen4 von 4 Kunden fanden die folgende Rezension hilfreich. A magnificent bookVon Marty Gecek, Salzburg, AustriaElizabeth Warren describes with fascinating detail and often humor, her fight to establish a consumer protection agency so that the average American is protected against the unfair

practices of big banks and other institutions when loans are made and other financial transactions. She is clearly an expert on bankruptcy, and she explains in lay terms what has gone wrong in America, and her success with the help of others in making important changes to protect all Americans, including military families, from exploitation. Her description of her life as a professor, mother, wife, and consumer advocate is extremely entertaining - a wonderful read!³ von 3 Kunden fanden die folgende Rezension hilfreich. EXCELLENT READING Von Kim Chi A marvelous and very clear thinker. Her life story one we can all relate to. The book is entertaining and very factual.

Kurzbeschreibung A NEW YORK TIMES BESTSELLER An unlikely political star tells the inspiring story of the two-decade journey that taught her how Washington really works and really doesn't in *A Fighting Chance*. As a child in small-town Oklahoma, Elizabeth Warren yearned to go to college and then become an elementary school teacher, an ambitious goal, given her family's modest means. Early marriage and motherhood seemed to put even that dream out of reach, but fifteen years later she was a distinguished law professor with a deep understanding of why people go bankrupt. Then came the phone call that changed her life: could she come to Washington DC to help advise Congress on rewriting the bankruptcy laws? Thus began an impolite education into the bare-knuckled, often dysfunctional ways of Washington. She fought for better bankruptcy laws for ten years and lost. She tried to hold the federal government accountable during the financial crisis but became a target of the big banks. She came up with the idea for a new agency designed to protect consumers from predatory bankers and was denied the opportunity to run it. Finally, at age 62, she decided to run for elective office and won the most competitive and watched Senate race in the country. In this passionate, funny, rabble-rousing book, Warren shows why she has chosen to fight tooth and nail for the middle class and why she has become a hero to all those who believe that America's government can and must do better for working families.

Pressestimmen "A potent mix of memoir and policy... The title of this book reminds us that this is about Warren's fight. She is still the fiery advocate who called for a bureau to protect consumers or, as a second choice, 'no agency at all and plenty of blood and teeth left on the floor.'" -- "The New York Times Book Review" "Moving ... Ultimately, the book's message is that one person can make a difference.... After reading this book, it is comforting to know that Elizabeth Warren, with her passion, anger and bluntness, will not be silenced." -- "The Washington Post" "[Warren's] storytelling is well-paced and engaging... She mixes policy points with rich behind-the-scenes anecdotes." -- "The Boston Globe" "Intelligent and informative ... [Warren is] good, plainspoken company who makes you feel smarter for having spent such easy time with her.... Her new book, which is a loving look at her family as well as her country, will only broaden her base." -- "Entertainment Weekly" "Warren's prose is as ... direct as her book's title. She has a good story to tell and she tells it well.... Warren's accomplishments defied expectations virtually every step of the way." -- "The Christian Science Monitor" "Passionate... Her vision [for the country], laid out elegantly and effectively in *'A Fighting Chance'*, involves investments by 'we the people,' through our government, in schools, roads and research labs, and in a social safety net for 'the least among us,' investments that are, at once, in our own self-interest and in the national interest." -- "Pittsburgh Post-Gazette" "Remarkable..." *A Fighting Chance* "takes the reader into the nitty-gritty of our nation's most controversial financial decisions with a depth of insight and experience no one else in today's politics can offer... In a time when our country's greatness seems to be in crisis, this is the story of a woman who is the living embodiment of the American Dream." -- Harvard Political Review "Warren has written a good book ... A 'New York Times' Bestseller" "A potent mix of memoir and policy... The title of this book reminds us that this is about Warren's fight. She is still the fiery advocate who called for a bureau to protect consumers or, as a second choice, 'no agency at all and plenty of blood and teeth left on the floor.'" -- "The New York Times Book Review" "Moving ... Ultimately, the book's message is that one person can make a difference.... After reading this book, it is comforting to know that Elizabeth Warren, with her passion, anger and bluntness, will not be silenced." -- "The Washington Post" "[Warren's] storytelling is well-paced and engaging... She mixes policy points with rich behind-the-scenes anecdotes." -- "The Boston Globe" "Intelligent and informative ... [Warren is] good, plainspoken company who makes you feel smarter for having spent such easy time with her.... Her new book, which is a loving look at her family as well as her country, will only broaden her base." -- "Entertainment Weekly" "A revealing account of Warren's rise to prominence ... [Warren's] arguments demand to be taken seriously.... As a politician and activist, Warren's great strength is that she retains the outsider's perspective, and the outsider's sense of moral outrage, which runs throughout *'A Fighting Chance'*... She's an indomitable battler for the underdog, and she doesn't take no for an answer." -- "The New York Times" "The Wall Street watchdog and U.S. senator has produced a readable and sometimes infuriating explanation of the biggest financial crisis of our time." -- "People" "[Warren] has a compelling story to tell.... She is also entertaining about professional politics." -- "The Economist" "Warren's prose is as ... direct as her book's title. She has a good story to tell and she tells it well.... Warren's accomplishments defied expectations virtually every step of the way." -- "The Christian Science Monitor" "Passionate... Her vision [for the country], laid out elegantly and effectively in *'A Fighting Chance'*, involves investments by 'we the people,' through our government, in schools, roads and research labs, and in a social safety net for 'the least among us,' investments that are, at once, in our own self-interest

and in the national interest."--"Pittsburgh Post-Gazette""Remarkable..." A Fighting Chance "takes the reader into the nitty-gritty of our nation's most controversial financial decisions with a depth of insight and experience no one else in today's politics can offer... In a time when our country's greatness seems to be in crisis, this is the story of a woman who is the living embodiment of the American Dream."--Harvard Political "Revealing...Warren's book describes the troubling patterns and practices of high-level Washington."--Gretchen Morgenson, "The New York Times""Warren has written a good book ... Frank and quite strong."--"The Nation""Warren's moment has arrived ... To understand why Sen. Elizabeth Warren is the fastest-rising new star in the Democratic Party ... read her new book ... "A Fighting Chance" tells true and important tales about the great scandal of our age, the corruptions that engulf Washington today, and the battles of good people to reform them ... [Warren] stands for the integrity and spirit that Americans hunger for in public life, which could someday bring her from one end of Pennsylvania Avenue to the other."--The Hill"[A] call to arms ... Reading the rousing finale of "A Fighting Chance" ... you can hear the sound of the crowd roaring with approval."--"Mother Jones""[Warren] displays a down-home charm and an effortless rapport with everyday people ... The book is more memoir than manifesto; Warren emerges as a committed advocate with real world sensibility, who tasted tough economic times at an early age and did not forget its bitterness."--"Publishers Weekly" (starred review)"A passionate memoir of one woman's personal story and the larger story of corruption in financial circles and the need for reform that balances the interests of the American middle class against those of the corporate sector.... [Warren] offers a behind-the-scenes look at the political dealmaking and head-butting machinations in efforts to restore the nation's financial system."--"Booklist" (starred review) A potent mix of memoir and policy The title of this book reminds us that this is about Warren's fight. She is still the fiery advocate who called for a bureau to protect consumers or, as a second choice, no agency at all and plenty of blood and teeth left on the floor.' "The New York Times Book " Moving Ultimately, the book's message is that one person can make a difference. After reading this book, it is comforting to know that Elizabeth Warren, with her passion, anger and bluntness, will not be silenced. "The Washington Post" [Warren's] storytelling is well-paced and engaging She mixes policy points with rich behind-the-scenes anecdotes. "The Boston Globe" Intelligent and informative [Warren is] good, plainspoken company who makes you feel smarter for having spent such easy time with her .
