**Von Paul Bannister : A Fragile Peace (Forgotten Emperor Book 5) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A Fragile Peace (Forgotten Emperor Book 5) (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Die ganze Serie lohnt sichVon SyAblemanAls jemand, der sich sehr fr Geschichte interessiert und historische Romane verschlingt, muss ich sagen, dass Paul Bannisters Serie wirklich sehr gelungen ist. Sehr spannend erzht, sehr dicht. Und Unstimmigkeiten, die mich sonst oft nerven und mir Bcher verderben, habe ich hier noch nicht finden knnen. Ich kann es jedem nur empfehlen, der sich mal von weniger ausgelutschten geschichtlichen Themen unterhalten lassen

will.

Kurzbeschreibung After forming a truce with Constantine, the Emperor of Rome, King Arthur of Britain feels confident in his newly established rule. His people are united under his banner, the pagan and the Christian living together as one in his lands, and there seems to be nothing left to do but celebrate his triumph. But a storm is brewing, both within the kingdom and outside it. A terrible plague spreads through the land, killing thousands and weakening Arthur's army. And a rival warlord is gaining power, inciting those on Britain's borders to mount an attack. Can Arthur rally enough men to his side to stop the threat of war? Or will his fragile peace be shattered? *A Fragile Peace* is the fifth book in Paul Bannister's best-selling *Forgotten Emperor* series, chronicling the life of King Arthur in ancient Britain. It is perfect for fans of Conn Iggulden, Ben Kane and Simon Scarrow. Praise for *A Fragile Peace* I enjoyed *A Fragile Peace* for several reasons: its ability to bring this historical period alive in all its splendour and brutality, its pace and its successful handling of the first person narrative. - Helen McCabe, author of *The Price of Beauty*. 'A thrilling story which weaves together both history and legend.' - Richard Foreman, best-selling author of the *Swords of Rome* series. 'A fantastic insight into Roman life.' - Tom Kasey, best-selling author of *The Dante Conspiracy*. Paul Bannister is a journalist and author. His other books in the *Forgotten Emperor* series are *Arthur Britannicus*, *Arthur Imperator*, *Arthur Invictus* and *The Kings Cavalry*.
