Von Hanna Zack Miley : A Garland for Ashes: World War II, the Holocaust, and One Jewish Survivors Long Journey to Forgiveness (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised A Garland for Ashes: World War II, the Holocaust, and One Jewish Survivors Long Journey to Forgiveness (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. wer den Autor kennt wird es schtzenVon Logos SurvivorEs ist eine sehjr persnliche Geschichte mit vielen details eines Werdegangs eines jungen jdischen Mdchens bis hin zur Bewltigungsphase dieser Person als gestanden Frau. Wer die Autorin persnlich kennt, wird die Geschichte sehr aufschlussreich und interessant finden. Wer sie jedoch nicht kennt, der knnte manche Buchabschnitte zu detailreich finden.Auf jeden Fall eine wichtges und sauber recherchiertes Dokument ber den Umgang mit der jdischen Bevlkerung in Deutschland bis hin zm Konzentrationslager. Vieles war mir neu - und hat mich sehr bewegt. Daher ist es auch fr die junge Generation sehr wichtig zu lesen.0 von 0 Kunden fanden die folgende Rezension hilfreich. Geht unter die HautVon Georg LangDieses Buch ist eigentlich eine (Zeit)Reise. Wir begleiten Hanna auf ihrem Weg zurck in ihre behtete Frhkindheit als jdisches Mdchen in Deutschland, erleben mit ihr das Drama des 2. Weltkrieges, das sie auf wunderbare Weise berlebte. Das Trauma, von ihren Eltern getrennt zu werden, ihre Bewltigung der neuen Lebensumstnde in England, bis zu ihrer mutigen Aufarbeitung und Vershnung mit ihrer Geschichte viele Jahre spter. Ein absolut lesenswertes Zeugnis einer Frau, die nie aufgehrt hat zu glauben und zu hoffen.God bless you, Hanna,Maria Lang

KurzbeschreibungTorn from Her Homeland Her Parents Murdered How Could She Cope?When little Hannelore (Hanna) Zack left Cologne, Germany, on a train bound for London as a seven-year-old Mdchen (young girl) on July 24, 1939, she had no way of knowing that she was part of the Kindertransport, an epic rescue effort that would save 10,000 Jewish children from Hitlers Nazi regime by granting them safe passage to England. In the coming years, Hanna would learn the painful truth: after being stripped of their business, forced from their Zuhause (home), and deported to endure six months of inhumane conditions in the Lodz Ghetto, her parents were gassed in a brutally efficient killing operation in a remote forested area near Chelmno, Poland, on May 3, 1942. Written over a four-year period beginning when Hanna was about seventy-five years old, A Garland for Ashes is both a gripping detective story recounting the heartbreaking process of discovering her familys fate and a poignant account of her journey from vengeful hatred to forgiveness and release from bitterness.KurzbeschreibungTorn from Her Homeland Her Parents Murdered How Could She Cope?When little Hannelore (Hanna) Zack left Cologne, Germany, on a train bound for London as a seven-year-old Mdchen (young girl) on July 24, 1939, she had no way of knowing that she was part of the Kindertransport, an epic rescue effort that would save 10,000 Jewish children from Hitlers Nazi regime by granting them safe passage to England. Hanna and George have spent more than forty-five years ministering worldwide, teaching and living out the love and transforming power of God to work forgiveness even in the most painful of circumstances. Their work has taken them to some one hundred countries. When not travelling internationally to anyplace where entrenched divisions among individuals and groups call for God's healing, Hanna and George reside in Phoenix, Arizona.
