Von Nicholas Doumanis : A History of Greece (Palgrave Essential Histories Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised A History of Greece (Palgrave Essential Histories Series):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.

Interesting overview of the Greek history Von Terry Easy to read overview from pre-Hellenism till today. It delivers on what it states on the book description and therefor it gets all my points.

Kurzbeschreibung Greek-speaking people have occupied the Aegean region continuously since the Bronze Age, while Greek culture has been a feature of the Eastern Mediterranean dating back to the Age of Alexander. But what do Greeks today have in common with Homer, Plato and Aristotle? What are the links between the people who built the Parthenon and those who currently conserve it? Drawing on the latest research into ancient, medieval and modern history, Nicholas Doumanis provides fresh and challenging insights into Greek history since early antiquity. Taking a transnational approach, Doumanis argues that the resilience of Greek culture has a great deal to do with its continual interaction with other cultures throughout the centuries. Ideal for the undergraduate student, or anyone keen to find out more about Greek history, A History of Greece provides a unique and fascinating account of the fortunes and many transformations of Greek culture and society, from the earliest times to the present.
