**Von Socrates : A History of the Church in Seven Books (Illustrated) (English Edition)** before purchasing it in order to gage whether or not it would be worth my time, and all praised A History of the Church in Seven Books

(Illustrated) (English Edition):

Kurzbeschreibung A Classic Includes Active Table of Contents Includes Religious Illustrations Socrates, our historian, was a native of Constantinople; for he himself states that he was born and educated in that city, and that for this reason he has detailed principally events which occurred there. In his youth his philological studies were prosecuted under the direction of the grammarians Helladius and Ammonius, both of whom were idolaters; who having withdrawn from Alexandria about this time, had taken up their abode at Constantinople. The reasons which induced them to migrate from Alexandria, are thus explained by Socrates himself. Aeterna Press Kurzbeschreibung A Classic Includes Active Table of Contents Includes Religious Illustrations Socrates, our historian, was a native of Constantinople; for he himself states that he was born and educated in that city, and that for this reason he has detailed principally events which occurred there. In his youth his philological studies were prosecuted under the direction of the grammarians Helladius and Ammonius, both of whom were idolaters; who having withdrawn from Alexandria about this time, had taken up their abode at Constantinople. The reasons which induced them to migrate from Alexandria, are thus explained by Socrates himself.
