Firsthand account of Captive who became tribal MatriarchVon Ein KundeThey say if you visit New York State you will find herdescendants; many native-americans have her last name. Taken captive; her parents killed - Mary

becomes part of a native-american family. She married a Delaware (Lenape) warrior, with whom she was very content and has many children. This is a dramatic, true story, told in her own words. She is in her 80's, and reminisces about her unusual life. 1 von 2 Kunden fanden die folgende Rezension hilfreich. Fascinating History Von frumiousb Book is fascinating reading, in terms of the history that's revealed in the words of Mary Jemison, but also in terms of James Seaver who gave us his own version of her story. This book is a layering of historical periods, and with the help of the editing, you can peer through and see not only the period of Mary Jemison's captivity, but also the prejudices of the period directly following. An interesting example of the simultaneous respect and loathing with which the early settlers viewed the native inhabitants.

Kurzbeschreibung Mary Jemison was one of the most famous white captives who, after being captured by Indians, chose to stay and live among her captors. In the midst of the Seven Years War (1758), at about age fifteen, Jemison was taken from her western Pennsylvania home by a Shawnee and French raiding party. Her family was killed, but Mary was traded to two Seneca sisters who adopted her to replace a slain brother. She lived to survive two Indian husbands, the births of eight children, the American Revolution, the War of 1812, and the canal era in upstate New York. In 1833 she died at about age ninety. From School Library Journal YA-- A story of extraordinary courage and human survival as told by the subject herself, originally published in 1824. Jemison recounts how she was captured as a teenager by Shawnee Indians, who mutilated and killed her family. She was then sold to two Seneca sisters, with whom she remained willingly, married twice, and produced many children. This version of the affecting account is edited by feminist scholar and teacher June Namias.- Mike Printz, Topeka West High School, KS Copyright 1992 Reed Business Information, Inc.
