Von Lowell H. Harrison, James C. Klotter : A New History of Kentucky before purchasing it in order to gage whether or not it would be worth my time, and all praised A New History of Kentucky:

Kurzbeschreibung" The first comprehensive history of the state since the publication of Thomas D. Clark's landmark History of Kentucky over sixty years ago. A New History of Kentucky brings the Commonwealth to life, from

Pikeville to the Purchase, from Covington to Corbin, this account reveals Kentucky's many faces and deep traditions. Lowell Harrison, professor emeritus of history at Western Kentucky University, is the author of many books, including *George Rogers Clark and the War in the West*, *The Civil War in Kentucky*, *Kentucky's Road to Statehood*, *Lincoln of Kentucky*, and *Kentucky's Governors*. From *Library Journal* Produced by two of Kentucky's most active and respected historians, this is the first comprehensive history of the Commonwealth since Thomas C. Clark chronicled Kentucky history some 60 years ago. The book's 25 chapters relate the story in chronological fashion, from pioneer days to the current challenges. Maps, figures, and tables help readers to visualize the personalities and events. This work is essential for every public and academic library in the state, and academic and some public libraries elsewhere will probably want to add it to their collections. Richard C. Brown, Boyle Cty. P.L., Danville, Ky. Copyright 1997 Reed Business Information, Inc. Kurzbeschreibung" The first comprehensive history of the state since the publication of Thomas D.
