Knowing the Kotzker RebbeVon Joshua KullockThere are a lot of books about Chasidism, but not about this interesting character. In "A Passion for Truth", Abraham Joshua Heschel shows the deep and intricate personality of one of the most significant Chasidic Rabbis: Menajem Mendl of Kotzk. One of the most important things in this book is the link that Heschel establishes between the Kotzker Rebbe and the Danish theologian Soren Kierkegaard.

Throughout this amazing book, Heschel shows the semblance and differences of these two important figures of the Nineteen-century. "A Passion for Truth" is a book that everyone who wants to know about Chasidism and the Kotzker-trend system has to read.

Kurzbeschreibung In A Passion For Truth, Heschel delves into the exploration of hope and despair in Hasidism. Heschel drew on his own experiences from his study of the Kotzker and the Baal Shem Tov to create this classic work.
