Politically Controversial, Suspenseful Courtroom DramaVon DaveNo matter what your personal political convictions are, you will find this story to be engrossing and suspenseful. You will be drawn into the lives of the characters and find yourself emotionally invested in them. The courtroom drama has the usual well-done courtroom pyrotechnics. But the story that leads up to the courtroom drama is about the inexcusable corruption of the cornerstones of our rights as American citizens that has been authorized by our very own government. Though the story is fiction, the author has documented the hideous abuses in reality that are the basis for what happens in the story. I could not help but compare them to the unfair, shameful treatment of Japanese-American citizens during World War II. Those innocent Americans were ripped out of their homes and unlawfully incarcerated in concentration camps in American deserts for the duration of the war. The fact that German-Americans and Italian-Americans were not similarly arrested only proves that those illegal imprisonments were racially motivated. At the time, the government felt justified in taking away all the civil rights of those innocent American citizens, because the people in power were afraid. But enough time has gone by for the fear to have died down. And now that particulate slice of history is acknowledged as grounds for national shame. Many of the actions the government took and are taking down at Guantanamo Bay are just as reprehensible. Eventually this slice of history will also be far enough removed in time to be judged rationally and without fear. Then it also will be a source of embarrassment and shame for the American people. The fact that terrorism has caused the American government out of fear, to shatter the very civil liberties and rights that are the backbone of that government, means that the terrorists have won. Americans are rightfully proud that our nation was founded on altruistic ideals. But that does not mean that we don't have our share of racist, sadistic, assholes, in positions of power, who will do anything they can get away with, in order to cover their own asses and stay in power. As you can see from my rant, this is one book that WILL stir your blood and get you thinking, no matter what your own political persuasion is.

KurzbeschreibungDeath, law and in that order at Guantanamo Bay. Book One of 11 Brent Marks Legal Thrillers, 2015 RONE Award nominated novel; fast-paced, action packed #1 bestseller legal political thriller from the bestselling author critics call 'one of the strongest thriller writers on the scene.' This historical thriller challenges everything you believe about justice freedom. When a naturalized American citizen turns up missing in Iraq, Attorney Brent Marks fights the Goliath U.S. Government's Patriot Act. Santa Barbara accountant Ahmed Khury responds to the plea of his brother, a suspected money launderer in Iraq. Before Ahmed realizes what has happened to him, he is sent to Guantanamo Bay Detention Camp as a suspected terrorist, and is subjected to torture to extract information that he doesn't have. The courtroom drama mounts as the drama outside the courtroom explodes, and when murder, corruption and cover-up enters the picture, nobody, including Brent, is safe. This novel rocketed to the top of four paid kindle bestseller charts: #1 Best selling pulp thriller # 1 Best selling legal thriller # 1 Best selling political thriller # 1 Best selling Mystery Collections Anthologies High marks from critics for Lawyer Brent Marks: "Eade, a lawyer by profession, weaves legal dialogue, corruption and international action to create a pacy read with echoes of Grisham, Baldacci and Clancy nipping at his writing heels. Law issues as well as forensics and police procedures are clearly explained with such authority as to add gritty realism in and out of the courthouse, but it's within the court drama that Eade really packs some punch. With some success with the first book of the series, *Predatory Kill*, this second saga looks sure to satisfy his growing base of readers." - SPR "A Patriot's Act is one hell of a legal thriller that challenges everything we know about justice and freedom." - Markus Book s "An edge-of-your-seat thriller that could easily be transformed into a dramatic film. Simply riveting, start to finish!" InD' Tale Magazine Find out what readers already know about this informative political thriller: Kenneth Eade has written a masterpiece! Not only is *A Patriots Act* a gripping novel where the characters in the book come alive, Eade also gives a real life glimpse into Guantanamo Bay, and the conditions inside the detainee camps. Throughout the book you see and feel through his characters what the detainees at Guantanamo go through, and the never ending hurdles the attorneys have to overcome to represent them. This book is required reading for anyone that cares about liberty and justice. -Joseph Hickman, Former Guantanamo Guard, Independent Researcher, Adjunct Professor, Seton Hall Law School, Author "Murder at Camp Delta" "Eade's skill with writing dialog is brilliant. His technique for propelling a story forward is second to none." Grady Harp "Kenneth Eade is a master of suspense and unexpected twists, which makes "A Patriot's Act" an exciting, unpredictable page-turner, and a must-read for anyone who loves legal thrillers." I Publisher News "Read this book if you are a true patriot. I am a retired First Sergeant from the US Army. I served during both Operation Iraqi Freedom and Enduring Freedom. Kenneth takes on the hard issues and does a superb job. Our government let us down and Kenneth brings it to the forefront. If you doubt my patriotism look at the medals on my chest." G. Gonzalez "Mr. Eade brings an amazing story to life." Collect all 11 books in the Brent Marks Legal Thriller Series: *A Patriot's Act* *Predatory*

Collect all 11 books in the Brent Marks Legal Thriller Series: A Patriot's Act Predatory Kill Assumed Innocent Arresting Resist Killer.com To Remain Silent Decree of Finality Beyond All Recognition The Big Spill And Justice? ber den Autor und weitere Mitwirkende Described by critics as "one of our strongest thriller writers on the scene," author Kenneth Eade, best known for his legal and political thrillers, practiced law for 30 years before publishing his first novel, "An Involuntary Spy." Eade, an award-winning, best-selling Top 100 thriller author, has been described by his peers as "one of the up-and-coming legal thriller writers of this generation." He is the 2015 winner of Best Legal Thriller from Beverly Hills Book Awards and the 2016 winner of a bronze medal in the category of Fiction, Mystery and Murder from the Reader's Favorite International Book Awards. Eade has authored three fiction series: The "Brent Marks Legal Thriller Series", the "Involuntary Spy Espionage Series" and the "Paladine Anti-Terrorism Series." He has written fourteen novels which have been translated into French, Spanish, Italian and Portuguese. "I've been writing all my life, but began publishing my work out of a passion for the environment. My wife, Valentina, is a professional photographer, who worked for two years on an environmental exhibition called, "Bee Cause I Care" which was exhibited by the Prince Albert II Foundation and is now touring cities in France to bring awareness to the importance of pollinators and the dangers facing them. I penned a few articles on the subject for the Los Angeles Daily Journal and turned my research into my first book, "Bless the Bees." That passion continued with the publication of my novel, "An Involuntary Spy," which is an action thriller that also points to the dangers of genetically engineered food. Then I began publishing the "Brent Marks Legal Thriller Series," which, in part, is based on actual experiences during my long career in law. "Now I divide most of my time between France, where I have resided for the better part of 10 years, and Russia. I try to put as much realism in my novels as possible, and they all revolve around important social issues. I treasure all of my readers and love to hear from them, whether it's good or bad. Sometimes I make changes based on their suggestions and one reader has inspired a character that has appeared in my latest two novels. Everyone who signs up on my mailing list at www.kennetheade.com gets a free ebook and I give away a Kindle Fire every month to a lucky winner on the list. I love this new adventure and hope you enjoy taking it with me."
