Von Lynette Kent : Adobe Photoshop CS6 Top 100 Simplified Tips and Tricks (Top 100 Simplified Tips Tricks) before purchasing it in order to gage whether or not it would be worth my time, and all praised Adobe Photoshop CS6 Top 100 Simplified Tips and Tricks (Top 100 Simplified Tips Tricks):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich.
Fantastic!Von BookwormThis is one of the best and most practical guides to PS CS6 I have ever seen. And I've seen a lot. The 5-star visual learning system is brilliant - guiding you through each tip with emphasis on SHOWING you what to do and just enough text to clearly explain the steps. This book is a must for anyone who wants to improve their CS6 proficiency. I've been using PS as an amateur for years and I thought I knew a lot, but this book taught me lots of new, helpful, time-saving things. If you only buy one guide, this is the one. Fantastic book! And to top it off, it's also a book of lovely quality. It's a pleasure to hold and read. Great quality paper and a book that you'll love to have in your

hands.

Kurzbeschreibung Take your Photoshop skills to the next level Users who already know Photoshop basics will love this colorful, step-by-step guide to new tricks and techniques. Filled with beyond-the-essentials techniques that show how to take your Photoshop skills to the next level, it is lavishly illustrated with beautiful photos that inspire you to experiment.
