**Von J. C. Edmondson : Alamo Story: From Early History to Current Conflicts** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Alamo Story: From Early History to Current Conflicts:

Kundenrezensionen Hilfreichste Kundenrezensionen 1 von 1 Kunden fanden die folgende Rezension hilfreich.  
Everything You Ever Wanted To Know About the Alamo Von Betty Owens As a Texan who has read many books on the Alamo, I think this is the BEST book on the subject that I have ever read. Mr. Edmondson has written a complete history from the beginning of Texas and it is fascinating to read. I think this book should be used in teaching Texas history in schools, as it would make studying our state's history much more exciting. The people in the book come to

life with all their faults as well as their virtues. I thought that I knew Texas history, but after reading the book, I realized that there were many things about the Alamo that were not taught in school. I especially liked the fact that he examined all the myths and legends about Texas and the Alamo. I recommend this book to everyone who has an interest in Texas and the Alamo, or to anyone who just likes a good story.0 von 0 Kunden fanden die folgende Rezension hilfreich. J. R. Edmondson's "The Alamo Story" Von John Beoddy I found this book to be an EXCELLENT read, in a pure sense. The book is told as a story, which is important, as it flows naturally, beginning with the early days of the mission to the later introduction of the stories of the men who would one day come together there and pass into history. Most histories of this nature are VERY dryly written, something which this is not. I was impressed with the ability of the author to take events which, in the singular were seemingly inconsequential, and reveal their importance in the overall context of the later events. Hope this conveys my impressions. I have to emphasize that I thought it was an excellent read. Particularly the 'Thirteen Days' was riveting. Very difficult to put down.0 von 0 Kunden fanden die folgende Rezension hilfreich. the alamo story Von Bill Frazier This book was recommended to me by Alamo historian and artist, Michael Schreck. It is a good read. J.R. Edmondson obviously knows his subject. The narrative flows smoothly and avoids the tedium so often occurring in historical works. Not only is it a spirited and accurate telling of an oft-told story, but he is not afraid to challenge the views of the revisionist historians that are now in fashion. I highly recommend this book to both the layman and scholar.

Kurzbeschreibung J.R Edmondson's The Alamo Story: From Early History to Current Conflicts is the millennium's first book to thoroughly examine the famous "Shrine of Texas Liberty" from its origin as a Spanish New World mission to its modern status. Kurzbeschreibung J.R Edmondson's The Alamo Story: From Early History to Current Conflicts is the millennium's first book to thoroughly examine the famous "Shrine of Texas Liberty" from its origin as a Spanish New World mission to its modern status. Buchrckseite "J.R Edmondson's "The Alamo Story: From Early History to Current Conflicts" is the millennium's first book to thoroughly examine the famous [Shrine of Texas Liberty] from its origin as a Spanish New World mission to its modern status as an irreplaceable historical icon. But Edmondson's impressive volume is more than a revitalized retelling of an epic tale: It is a careful study of those [myths, mysteries, and misconceptions] that help us Remember the Alamo!" William R. Chemerka Founder of The Alamo Society Editor of The Alamo Journal "For generations, the story of the Alamo has intrigued readers of all ages. But these early stories have left many questions unanswered. Now writer J.R. Edmondson has researched his way through the myths and mysteries and misconceptions of the Alamo to produce a masterful story of those fateful and final hours. Of all the books written about the Alamo, Edmondson's is by far the best of the bunch". Ross McSwain Columnist, "San Angelo Standard-Times" Author J.R. Edmondson captures the entire Alamo history in a cohesive and flowing narrative that brings the people and the drama to life with a sense of vivid reality and detail based on years of research. His passion for accuracy and his brilliant literary style create a new kind of history book. Read it for the knowledge, but read it, too, for the pleasure of a tale well told. J.R. Edmondson authored the pageant [Victory or Death] performed annually at the Alamo. He teaches a course on Alamo history and is nationally recognized as a living historian. His home is in Burleson, Texas.
