**Von Richard Hofstadter : America at 1750: A Social Portrait** before purchasing it in order to gage whether or not it would be worth my time, and all praised America at 1750: A Social Portrait:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. A superb snapshot of Colonial America up to 1750.Von Ein KundeThe brilliant historian Richard Hofstadter was working on this book when he died in 1970. In eight highly readable chapters he presents clear discussions of several areas of Colonial America, among them: the explosion in population, the diverse ethnicity, the world of white indentured servants, black slavery and its trade, along with a discussion of the predominant middle class life many enjoyed, and finishes with three fine chapters on Colonial religion and the Great Awakening. His mastery of his subject matter and the clarity of his writing is a joy. The Scotch-Irish, the German religious sects who were excellent farmers, the terrified blacks kidnapped and marched 550 miles to the coast and into slavery, the desperate white indentured servants selling themselves into virtual slavery for a time, the always extremely dangerous ocean crossings, the greedy-yet terrified slaveholders and the cruel slave codes they wrote, the relatively prosperous Americans, the coming of George Whitefield--America's most spectacular preacher, the religious schisms that the Great Awakening brought: all these stories are here. And all packed into a highly readable book. A pleasure to read. Thank you Professor Hofstadter.

KurzbeschreibungDemonstrates how the colonies developed into the first nation created under the influences of nationalism, modern capitalism and Protestantism.From the Paperback edition.Pressestimmen" A brilliant interpretation of Colonial society on the eve of the Revolution." --David Herbert Donald, CommentaryKurzbeschreibungDemonstrates how the colonies developed into the first nation created under the influences of nationalism, modern capitalism and Protestantism.From the Paperback edition.
