WunderbarVon BIGSKIESEvocatively written even though twenty years ago...very illuminating.The book was cheap

and quickly despatched...highly worthwhile as a read.Thank you.

KurzbeschreibungHere is a fresh perspective on the last tumultuous years of the Soviet Union and an exquisitely poetic travelogue. With a keen grasp of Russia's history, a deep appreciation for its architecture and iconography, and an inexhaustible enthusiasm for its people and its culture, Colin Thubron is the perfect guide to a country most of us will never get to know firsthand. Here, we can walk down western Russia's country roads, rest in its villages, and explore some of the most engaging cities in the world. Beautifully written and infinitely insightful, *Among the Russians* is vivid, compelling travel writing that will also appeal to readers of history and current events and to anyone captivated by the shape and texture of one of the world's most enigmatic cultures. *Pressestimmen*"There is no travel writer working today in English who possesses such a remarkable combination of the observant and the lyric gifts--the most poetic of us all."-- Jan Morris *Werbetext*'A magnificent achievement' - Nikolai Tolstoy, *The Times*
