KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Ein groartige Illustration und AnalyseVon D. FlackDas Buch von Jeff Halper, einem poliitschen Aktivisten und profunden

Kenner Israels, eröffnet konkrete und überzeugende Einblicke in die Situation vor Ort ebenso wie in den politischen-historischen und ideologischen Hintergrund des Nahost-Konfliktes. Der Autor illustriert die verzweifelte, ausweglos erscheinende Situation, in die die Besatzungsmacht Israel die Menschen in den besetzten Gebieten tagtäglich bringt und verdeutlicht die dahinterliegenden politischen Absichten. Ein absolut lesenswertes Buch!

Kurzbeschreibung Israeli anthropologist and activist Jeff Halper throws a harsh light on the Israeli-Palestinian conflict from the point of view of a critical insider. While the Zionist founders of Israel created a vibrant society, culture and economy, they did so at a high price: Israel could not maintain its exclusive Jewish character without imposing on the country's Palestinian population policies of ethnic cleansing, occupation and discrimination, expressed most graphically in its ongoing demolition of thousands of Palestinian homes, both inside Israel and in the Occupied Territories. An Israeli in Palestine records Halper's journey 'beyond the membrane' that shields his people from the harsh realities of Palestinian life to his 'discovery' that he was actually living in another country: Palestine. Without dismissing the legitimacy of his own country, he realises that Israel is defined by its oppressive relationship to the Palestinians. This second edition includes an epilogue gauging the chances for peace after the failed Annapolis process. Pressestimmen 'Jeff Halper's book, like his life's work, is an inspiration' -- Jonathan Cook, author of *Blood and Religion* (2006) and *Israel and the Clash of Civilisations* (2008) Kurzbeschreibung Israeli anthropologist and activist Jeff Halper throws a harsh light on the Israeli-Palestinian conflict from the point of view of a critical insider.
