Oustanding book on healing Von Ein Kunde Gloria has shown what true Biblical healing is all about. She blows away all the traditions and gets back to the Bible. I recomend this book to every Christian, to learn more of our glorious inheritance.

Kurzbeschreibung The ministry of Jesus on earth revealed to men the expressed will of God in action. By His examples and teaching, man discovered that God's will was to provide salvation, deliverance, and healing to all who would simply believe. In this enlightening study, Gloria Copeland examines the overwhelming scriptural evidence which proves that without a doubt it is God's plan to heal today, just as in the time when Jesus Healed Them All.
