Von Terry Lynn Taylor : Angel Wisdom: 365 Meditations and Insights from the Heavens before purchasing it in order to gage whether or not it would be worth my time, and all praised Angel Wisdom: 365 Meditations and Insights from the Heavens:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. An uplifting book that will open your eyes and heartVon Ein KundeAngel Wisdom by Terry Lynn Taylor and Mary Beth Crain is a wonderful book of heartlifting and good sense advice for everyday and every emotion of the year.I know it has changed my life,the way I look at it,live it, and treat others. I have also given it as a gift to dear friends, so they may also be inspired by the Angels Wisdom.Of course I have purchased Angel Courage by Taylor and Crain it's filled

with the same great daily advice by addressing some of life's biggest obstacles. A must have for all Angel addicts and seekers of strength. 0 von 0 Kunden fanden die folgende Rezension hilfreich. True insight from a true source. A #1 Book in all ways! Von Ein Kunde Angel Wisdom is the best inspirational work I have used in the past years. Terry Lynn Taylor has a wonderful way of sharing thoughts of wisdom through her writings. Many of my friends have enjoyed this daily source of guidance as well. I have personally purchased over a dozen copies as gifts and will continue to give this gift of enlightenment. Thank you, Terry, for writing this book.

Kurzbeschreibung Like a guardian angel whispering in your ear 'Angel Wisdom' puts you in touch with the warmth, encouragement, and insight of your heavenly helpers every day. Some say angels- intermediaries from on high- have always been among us to From Publishers Weekly Obviously structured as a daily meditation tool, this is a collection of one-paragraph essays arranged around topics such as Insulation , Let It Be , Pearls , Opposition , etc. These are followed by directives for action. Thus, under Luck : "Begin to live life free from the issue of luck and superstition and the angels will bring you such a sense of good fortune you will feel like you have won the greatest lottery ever." Each entry also has a brief "Angel Reminder" ("We were all born under a lucky star") and an "Angelic Reflection" ("I will forever know that God does not play dice with the Universe.") The work reflects the collaboration of successful author Terry Lynn Taylor (Messengers of Light) and Los Angeles journalist Mary Beth Crain. As a good-spirited book, it will likely do very well even though it doesn't offer rich thought or good writing. Illustrated. Copyright 1994 Reed Business Information, Inc. From Library Journal Interest in angels has spurred a publishing industry boom and many discussions in religious and spiritual circles. Taylor, who has four previous works relating to angels, here presents a collection of meditations meant to tune the individual into the consciousness that everyone is divine. Arranged by topic, from decisions and worry to money, anger, and birds, each entry begins with a quote or sentence that sets the tone. Following the quote are a commentary and an exercise, then a reflection designed to deepen the meditation. The meditations are well thought out and gentle in spirit. Recommended for libraries collecting meditative and devotional materials. Wilson offers a very slim volume, lavishly illustrated with art work from Christian, Hindu, and Islamic work. While the size of the book is small, the text is slimmer still, presenting its information about angels in a disjointed and disorganized fashion. The stories from Hindu, Moslem, and Christian culture are arranged under topics such as eroticism, hierarchy, shamanism, and the Kabbalah. In spite of the admirable diversity, these stories as well as the connections among the texts are sparse and unsatisfactory. Not recommended. Gail Wood, SUNY Coll. of Technology Lib., Alfred Copyright 1994 Reed Business Information, Inc.
