Von Richard L. Rubenstein, John K. Roth : Approaches to Auschwitz, Revised Edition: The Holocaust and Its Legacy before purchasing it in order to gage whether or not it would be worth my time, and all praised Approaches to Auschwitz, Revised Edition: The Holocaust and Its Legacy:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. From the back cover.Von B. FalkThe Nazi attempt to exterminate the Jews of Europe in the 1 940s is an event that staggered the

history of the world and left an atrocious scar that will never disappear. Four decades later, the human concerns of this catastrophe remain intense. For the first time a Christian and a Jew have collaborated to create a powerful, monumental work that explores the historical process that produced the Holocaust. They develop an analysis of the historical roots of the Holocaust, its rudimentary character in human civilization, and its unparalleled importance in determining what the fate of the world shall be. 0 von 1 Kunden fanden die folgende Rezension hilfreich. A MUST READ Von Ein Kunde This book is an absolutely essential piece of Holocaust literature

Kurzbeschreibung Distinctively coauthored by a Christian scholar and a Jewish scholar, this monumental, interdisciplinary study explores the various ways in which the Holocaust has been studied and assesses its continuing significance. The authors develop an analysis of the Holocaust's historical roots, its shattering impact on human civilization, and its decisive importance in determining the fate of the world. This revised edition takes into account developments in Holocaust studies since the first edition was published. Pressestimmen "Approaches to Auschwitz is brilliant in its pedagogy, authoritative in its understanding, and bold in its impact. It ranks as an original work of scholarship and among the finest--if not the finest--of the texts that professors can choose for their class." Kurzbeschreibung Distinctively coauthored by a Christian scholar and a Jewish scholar, this monumental, interdisciplinary study explores the various ways in which the Holocaust has been studied and assesses its continuing significance.
