Von Bill Holmes : AR-15/M16 (Home Workshop Guns for Defense and Resistance) before purchasing it in order to gage whether or not it would be worth my time, and all praised AR-15/M16 (Home Workshop Guns for Defense and Resistance):

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. For Experts Only !Von JohnAn excellent book for the expert gunsmith, although a beginner may indeed have difficulty understanding it. The only major problem was the laughably bad drawings and diagrams, which proved to be difficult but not impossible to follow. Overall, it was well worth a read.

KurzbeschreibungThe latest volume in this popular and timely series offers detailed instructions, complete with photos and machinist's drawings, for making a pistol-caliber AR-15/M16 entirely from raw materials, as either a rifle or

pistol, open or closed bolt and in semi or full auto. For academic study only.
