Von Bowie Ibarra : Down the Road: On the Last Day (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Down the Road: On the Last Day (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 1 Kunden fanden die folgende Rezension hilfreich. Down the RoadVon AndroschEin klassisches Zombie-Werk wo man nach dem lesen auf eine Verfilmung wartet! Leider werden aus diesem Genre nur noch annehmbare Remakes auf den Markt geschmissen! Obwohl das Buch bis jetzt nur in englisch erschienen ist, kann man es dank der einfachen" Schreibweisegut verstehen und verliert auf gar keinen Fall

den roten Faden!

Kurzbeschreibung* A standalone novel set in the Down the Road universe!* The walking dead. A global crisis. The remnants of America. Around the globe, the dead are rising to devour the living. Hospitals are overrun, and martial law has been declared. The streets are in chaos. Society is disintegrating. In a small south Texas town, the mayor has rallied his citizens against the living dead and secured their borders. Isolated in the countryside, the community holds their own. But when two strangers from San Antonio stumble into town, they bring news of a global peacekeeping force sweeping toward the city. Led by a ruthless commander, the force is determined to secure the republic of Texas on its own terms, and establish a new, harsh government for the plague-ravaged nation. Will the independently fortified Texas town hold out against the flesh-eating zombies and the tyrannical foreign army traveling down the road?
