It's not hard to do at all.0 von 0 Kunden fanden die folgende Rezension hilfreich. This book radically woke me up to where

we are. Von Ein Kunde If you ever purchased a book other than the Holy Bible....purchase this one. It will tear down all those sacred cows of religion and give you the truth. It is a last warning...and I do mean a last warning to escape the wrath coming upon the Earth. 0 von 0 Kunden fanden die folgende Rezension hilfreich. A great step by step guide to Bible prophecy. Von Ein Kunde This book dares to talk about topics which are skipped over by most Bible scholars. Charles Capps' supports his views very well with scripture. I would encourage any and all seekers of the Truth to read the Bible first, read this book second!
