Von David Kelly BA BA (Law) PhD : English Law before purchasing it in order to gage whether or not it would be worth my time, and all praised English Law:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good sellerVon Kevinquick delivery and item was as described! Would definitely consider using this seller again, I got reading as soon as it arrived and its a good book.

KurzbeschreibungWhether you are engaged in the study of law, are considering studying law at university, are a business professional or want to find out more about the law in general, Slapper and Kelly's English Law offers a

clear, lively and reliable point of entry to the law in England and Wales. Presented in an easy-to-read style, it provides readers with an accurate explanation of how the English legal system currently works and the content of English law in all its key areas of operation, including criminal law, contract law and the law of negligence. An invaluable introduction, English Law is an excellent resource for students of the English legal system and English law, as well as for professionals and general readers.

Pressstimmen
Praise for first edition: "This is an exciting addition to current legal texts. All new law students and readers with a general interest in modern legal issues will find it well worth reading. Slapper and Kelly are both well seasoned writers, who produce a subtle blend of knowledge and teaching methods in English Law ... I feel that these two tutors have written the best introduction to the subject yet produced. It is certainly required reading for A-Level and undergraduate studies because it combines a reasonable amount of detail with useful summaries at the end of each chapter ... I would not expect just my student to have read this landmark in legal texts - I would also demand it as the best possible grounding any potential lawyer will obtain before he or she delves into the greater detail in their chosen texts. Thank you, Mr Slapper and Mr Kelly!" - Law Tutors Partnership, Newsletter No 2

'Gary Slapper and David Kelly continue their successful collaboration with the publication of English Law ... Throughout the work, there is critical analysis and evaluation, enabling the reader to become familiar with the meaning of legal concepts and principles while, at the same time, gaining an insight into the complexities that often surround them...' - The Law Teacher
