Von Paul Craig, de B, Gr rca, inne : EU Law: Text, Cases, and Materials (Text, Cases And Materials) before purchasing it in order to gage whether or not it would be worth my time, and all praised EU Law: Text, Cases, and Materials (Text, Cases And Materials):

KundenrezensionenHilfreichste Kundenrezensionen10 von 12 Kunden fanden die folgende Rezension hilfreich. Das vielleicht beste englischsprachige Europarechtbuch!Von Ein KundeCraig de Burca verstehen es, dem Leser, selbst wenn er nicht aus einem Land der EU kommt, klar und verstdlich die institutionallen Zusammenhnge der Gemeinschaften und die juristischen Hintergrnde klar zu machen. Sowohl die Geschichte der EU, als auch das Case Law des Europäischen Gerichtshofs und des Gerichts erster Instanz werden ausfhrlich erlutert. Ein Werk, das in Umfang und Ausfhrlichkeit ideal ist fr den Einstieg in das Recht der Europäischen Gemeinschaften und der Europäischen Union, aber auch dem bereits Fortgeschrittenen Mglichkeiten zu neuen Studien erffnet.5 von 7 Kunden fanden die folgende Rezension hilfreich. Hervorragend.Von Ein KundeCraig und de Burca haben mit diesem Werk ein

Lehr- und Lernbuch geschrieben, dass neue Mastbe setzt. Ich hatte dieses Glck, dass ich das Buch in einer englischen EU Law Vorlesung kennen lernte. Es ist in seiner Tiefe und Systematik umfassend. Der Stil eines englischen Lehrbuches mit integrierten Urteilsauszgen, die sich auf das wesentliche beschrnken, ist im Europarecht, das so durch das Case Law des EuGH geprgt ist, ideal. Allerdings ist dieses Buch zugegebenermaen keine leichte Kost. Es ist, weniger von der Sprache oder der Abstraktion, als vielmehr von der Tiefe der Bearbeitung, so anspruchsvoll, dass manch eine englische Uni von herausragendem Rufe es seinen Bachelorstudenten nicht zumuten mag. Wer flssig englisch lesen kann und mehr als ein Kurzlehrbuch sucht, wird aber von diesem Buch nicht enttuscht werden und ein Verstdnis des Europarechts und insbesondere der einschlgigen Rechtsprechung erlangen, dass so weder in deutschen Pflichtfachvorlesungen noch von einem Groteil der deutschsprachigen Lehrbcher vermittelt wird. Auch die essentielle Rechtsprechung des Bundesverfassungsgerichts (Solange I, II etc.) wird hinreichend behandelt. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Sehr gut
Von Kunde
Although it was used but it seems like a new book. There is no any damage in/on the book. Danke schn

Kurzbeschreibung
The fifth edition of Craig de Brca EU Law: Text, Cases, and Materials provides clear and insightful analysis of all aspects of European Law in the post Lisbon era. Building on its unrivalled reputation as the definitive EU Text, Cases, and materials book, this edition looks in detail at the way in which the Treaty of Lisbon has radically changed both the institutional and substantive law of the European Union. Paul Craig and Grinne de Brca are noted scholars on European Law who have a wealth of experience of both teaching and writing in this subject area. Working closely as an author team for nearly twenty years, they succeed in bringing together a unique mix of illuminating commentary and well-chosen extracts from a wide range of primary and secondary materials. Many of the chapters have been substantially or wholly rewritten, including those on key areas such as Institutions, Legal Instruments and the Hierarchy of Norms, Competences, and Legislation and Decision-Making. All of the chapters have been revised to take account of developments in case law and legislation, and to make students aware of cutting edge academic debates. There is in addition a new chapter on EU Criminal Law. The new edition therefore gives readers a clear understanding of the changes made by the Lisbon Treaty and the way in which the legal and political landscape has developed since it came into force. A revised table of contents facilitates navigation through the book. The Online Resource Centre will contain information about the book and sample chapters.
Pressestimmen
The cases make it an interesting and enriching book for scholars because it offers depth and new insights, but the clear structure and the pedagogical genius of both authors make the book very suitable to students studying EU law for the first time... We strongly recommend this book to every EU law student. Chris Thomale, Juristische Schulung
By combining an impressive selection of cases, commentary and legislation, EU Law: Text, Cases, and Materials has obtained (and kept) an almost biblical status. This accolade is well-deserved; the material remains accessible whilst providing wonderful academic scholarship. Russell J Kelsall, The Student Law Journal
