Kundenrezensionen Hilfreichste Kundenrezensionen 0 von 0 Kunden fanden die folgende Rezension hilfreich. uplifting and inspiring Von corilyn ott I found this book to be a beautiful reminder of how precious my marriage and children are. The authors have a way of showing you how God blesses you when you have children. I recommend this book not only for expectant parents but for anyone who has children already.

Kurzbeschreibung Build a household of faith together as you prepare the way for the child to come . . . Expectant Moments is a delightful and inspiring collection of devotional thoughts for parents-in-waiting. Written by Gene and Lisa Fant when they were expecting twins, these meditations speak to the hopes, dreams, fears, and joys that come with expecting a child. Personal stories, Bible readings, and prayers help you focus as a couple on your personal growth, preparing a spiritual as well as a physical home for your baby. Expectant Moments will help you get ready as a couple for this new stage in your family life.
