Promoted Life Change Von C.R. Norris Dr. Wilkinson's book not only gives the encouragement needed to understand that we are all seeking spiritual breakthroughs in our lives, but he gives us the equipment needed to make those changes. This book is so practical and easy to read...as if you were sitting in the room having a conversation with the author. Reading it and applying its principles has helped me to be a better husband, father and worshipper, and focus

my life's work not just on teaching and encouraging others, but truly promoting hearts changed and brought into fresh communion with Christ. READ IT! I also highly recommend "Personal Holiness in Times of Temptation," Dr. Wilkinson's previous book, of which he makes reference to several times as foundational information for "Experiencing Spiritual Breakthroughs." 0 von 0 Kunden fanden die folgende Rezension hilfreich. LIFE CHANGING Von Ein Kunde Plain and simple this book will change your life

Kurzbeschreibung It happens in almost every part of life. We wear down, burn out, and lose hope. While nothing is fail-safe, there are things you can do to halt the downward slide in your family. This book gives dynamic biblical solutions to people who are asking: - Why don't I have passion in my spiritual life? - Is it still possible to restore my marriage? - Can I raise my children to be "on fire" for God? - Where do I start? Bruce Wilkinson shows how, in the midst of a society without morals, a passionate relationship with Jesus is possible -- not just a "mountaintop experience," but an everyday vibrant relationship. This popular book is newly released with an updated cover! Kurzbeschreibung It happens in almost every part of life. We wear down, burn out, and lose hope.
