Motivierend für den Gemeindebau mit Zukunft Von Markus Wandres Die Brüder Ferguson geben neben dem persönlichen Einblick, wie sie in Chicago begonnen haben Gemeinde zu bauen, wertvolle Tipps und zeigen Prinzipien auf, wie man eine auf Vervielfältigung angelegte Gemeinde (Bewegung) bauen kann. Neben alt bekannten Prinzipien gibt es auch neue/ unkonventionelle Gedanken, die die Gemeindearbeit durchaus beleben können. Das Buch ist leicht zu lesen und enthält neben den typisch amerikanischen "how to do"-Erklärungen auch zahlreiche Beispiele aus der Praxis. 0 von 0 Kunden fanden die folgende Rezension hilfreich. inspirierend und doch wieder nur ein weiteres Buch Von Helfer Die Schreibweise ist typisch amerikanisch, d.h. mit vielen Geschichtchen, wie die Autoren selbst Erfahrungen gemacht haben. Es lassen sich inspirierende Elemente entnehmen, wie z.B. der Gedanke wieder mehr 1:1 Beziehungen zu jungen Menschen zu suchen, die man bewusst fördern - wie ein Meister seinen Azubi. Groß zu denken, hilft Großes entstehen zu lassen - mit Gott an seiner Seite der selbst sagt, dass mit ihm nichts unmöglich ist - ist sicher eine Wahrheit, die man sich wieder vor Augen führen kann. Das Schreibdesign/ Aufmachung ist erfrischend. Mein Fazit ist, dass man sich gerne von der Begeisterung und "Erfolg" der Autoren begeistern lässt, aber u.U. am Ende merkt, dass deren Vision sich nicht einfach kopieren lässt. So habe ich dieses Buch ehrlicherweise nur ca. bis zur Hälfte geschafft und musste feststellen, dass die Wirkung bei mir nicht nachhaltig war. Vielleicht ist das bei Ihnen anders. Bilden Sie sich Ihre Meinung seien Sie gesegnet. 0 von 0 Kunden fanden die folgende Rezension hilfreich. Von Anfang an gut! Von Charly Ich habe die ersten Seiten gelesen und war gleich ganz stark angesprochen. Sollte jeder der kirchlich engagiert ist lesen! Danke für dieses Buch!

Kurzbeschreibung Jesus challenges us to heal the hurting, feed the hungry, include the lonely, and help people find their way back to God. Most people listen to the missional challenge of Jesus as if it were a good motivational talk something to inspire us, but not something we can actually achieve. Others hear the challenge of Jesus and become frustrated with how little they've done. The mission Jesus gave us was not just meant to inspire us, nor was it intended to frustrate us. Jesus gave us this mission because he wants us to actually do it! Within each person lies a potential movement that could change the world. The beginning of such a movement is simple: you living a life as a Christ follower that is worth reproducing. You will reproduce what you say. You will reproduce what you do. You will reproduce what you don't do. You will reproduce who you are. Each of us has the ability to catalyze a movement that can accomplish the mission of Jesus. Some of us have the ability to impact 10 people; some of us have influence over hundreds, while others have the potential to reach thousands. The Rapidly Reproducing Church will present a Biblical strategy that explains how every Christ follower can successfully reproduce himself and maximize his impact for the kingdom of God. The purpose of this book is to communicate a simple strategy that will engage every Christ follower and challenge every leader to become a reproducing leader. Our hope is that every church will become a reproducing church. This book will lay out a brief, but solid theology for a reproducing strategy and then give very practical how-tos for reproducing Christ followers, leaders, artists, groups/teams, venues, sites, churches and networks of churches. Weaved throughout this book will be the amazing story of Community Christian Church, started by five friends who used these reproducing strategies to grow one of the most influential churches in the U.S and develop a network of reproducing churches. Buchrückseite Authors Dave and Jon Ferguson communicate a simple strategy that will engage millions of Christ followers and challenge every church leader to become a reproducing follower and leader. Exponential lays out a brief but solid theology for a reproducing strategy, giving practical 'how-to's' for reproducing Christ followers, leaders, artists, groups/teams, venues, sites, churches, and networks of churches.

Weaved throughout this book is the amazing story of Community Christian Church, which was started by five friends who used the reproducing strategies found in Exponential to grow one of the most influential churches in the U.S. and develop a network of reproducing churches. Many of today's Christians consider the missional challenge of Jesus---feed the hungry, comfort the lonely, bring people to God's Word---as inspirational but not something that's achievable. Or, they've heard the challenge of Jesus and are frustrated with how little they've done. Jesus gave his followers this mission because he wants them to hear it, be inspired, and then actually do it ... Exponential will show them how. Exponential is the anchor book in the Exponential Series.
