KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Short, but not so useful information about FacebookVon ByrdDear readers,the Facebook For Dummies Mini Edition is a short version of the book 'Facebook for Dummies'. There some information about registering, what you can do with Facebook and how you can manage your privacy settings. Unfortunately it doesn't point to the negative effects of social networks or Facebook respectively. The last changes of Facebook isn't displayed.In conclusion:A short book

about what you can do on Facebook and how to set up your privacy preferences. Nothing you cannot read on the web for free.
