Von Jody Gayle : Fashions in the Era of Jane Austen: Ackermann's Repository of Arts (English Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fashions in the Era of Jane Austen: Ackermann's Repository of Arts (English Edition):

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Fashions in the Era of Jane AustinVon Karin ButtigiegThe multitude of illustrations and the accompanying text make this a wonderful reference book for those interested in the subject. However, since I design garments and patterns, I found the fuzziness of the illustrations (although very ethereal and pretty) irritating. Having seen original Ackermann's Repository illustrations, I know that they were not fuzzy. A lovely picture book if one is interested in a general way.

Kurzbeschreibung What gown would you have worn to be the belle of the ball in April 1811? Choose any month in any year between 1809 and 1820 and find the most fashionable attire in England. Fashions in the Era of Jane Austen is a comprehensive pictorial guide of ladies fashions collected from one of the most influential periodicals of Austen's lifetime Ackermann's Repository of Arts. Ackermann's Repository was published in London over two hundred years ago and it provided ladies with monthly etchings of exquisite hand-painted plates featuring the latest fashions. Discover splendid illustrations of morning, evening, riding, and walking dresses with their coordinated accessories: hats, shoes, scarves, jewelry, parasols and more. The book contains more than 275 exquisite illustrations which are accompanied by the original descriptions, as published more than two hundred years ago. Fashions in the Era of Jane Austen covers twelve years of fashion in the Georgian and Regency periods (1809-1820). Costume designers, researchers, authors, and fashion lovers will all treasure these authentic examples of fashionable dress in the era of Jane Austen. * This book is best viewed in the paperback version and includes a full color illustration on nearly every page. The physical book price is set by CreateSpace, a company of .com approx. pages: 325 word count: 52,217

den Autor und weitere Mitwirkende JODY GAYLE, bestselling author and researcher, likens her work to that of a literary archeologist rather than a traditional author. She is dedicated to unearthing publications of the past, and sharing these long-forgotten books... the jewels and riches of the written word. She has uncovered tens of thousands of old publications from the eighteenth and nineteenth centuries and wants to bring them to life, and send her readers traveling back in time.
