Von N.T. Wright : Following Jesus: Biblical Reflections on Discipleship before purchasing it in order to gage whether or not it would be worth my time, and all praised Following Jesus: Biblical Reflections on Discipleship:

KundenrezensionenHilfreichste Kundenrezensionen1 von 1 Kunden fanden die folgende Rezension hilfreich. Excellent and Inspiring ReflectionsVon CustomerTom Wright shows how biblical scholarship should be done. Not only does he produce heavy weight works (such as "Jesus and the Victory of God" or "The Climax of the Covenant") but also he is at pains to show how the Bible can and should inform our lives today.It was a bold move to start the

book with a chapter on Hebrews, arguably the hardest book in the New Testament (its chief rival for that title would be Revelation, which also gets a chapter). This gamble of faith pays off. Part of the value of this book is the fact that it explores sections of the New Testament canon that are looked at less than they perhaps should be. The second half of the book contains more thematic treatments. I do not know if Wright would be complimented by this, but I found it very reminiscent of C. S. Lewis (the major difference is that Wright is more biblical - not a bad compliment in my view). The chapter I most remember is the one on Hell. He helped me to understand this difficult concept in such a way as to be both clear and compassionate. Excellent, excellent, excellent. 0 von 0 Kunden fanden die folgende Rezension hilfreich. See More Clearly, Follow More Nearly Von Ein Kunde N. T. Wright has the unique gift of clear insight into the biblical world and contemporary world coupled with a critically passionate faith. Each of the sermons masterfully explores a New Testament book or theme, providing a succinct overview and enlightening reflections. Yet the power of this book is in Wright's ability to tie together these insights with the challenges of following Jesus in today's world. By helping readers to see Jesus more clearly, Wright calls and encourages us to follow Jesus more nearly. Although not marketed as an introduction to the New Testament, these reflections are among the best brief introductions to Matthew, Mark, John, Colossians, Hebrews and Revelation. They are accessible to adults of all education and age levels, yet provide a solid meal of soul food for all who hunger to grow in their spiritual lives. "Following Jesus" has drawn me deeper in my understanding of Jesus and the scriptures, as well as deeper in my faith.

Kurzbeschreibung The twelve exhilarating meditations in this volume explore what it truly means to follow Jesus today. Part One outlines the essential messages of six major New Testament books--Hebrews, Colossians, Matthew, John, Mark, and Revelation. Part Two examines six key New Testament themes--resurrection, rebirth, temptation, hell, heaven, and new life--and considers their significance for the lives of present-day disciples.
