Outstanding! Historical fiction at it's best!Von thompg@wi-arng.ngb.army.milG.A. Henty, the 19th century master of historical fiction, demonstrates his tremendous ability to weave a great story into the details of history. His accounts of the fall of Jottapotta, Gamala, and Jerusalem are faithful to all first hand accounts of Rome's war in Israel. In places

whole passages can be linked with Josephus' account of battles and sieges. This is a must read for any historical fiction fan, and a dynamic story for those who just want good reading. I strongly recommend this book. (ILT Gary Thompson)0 von 0 Kunden fanden die folgende Rezension hilfreich. Outstanding for children and adults! Von Ein Kunde My 11 year old daughter recommended this book to me after reading it twice. I read it and loved it! Mr Henty is a master story teller - it would be hard to find a modern book of this caliber. We especially note the strong message of integrity and character. We have purchased several other Henty books and enjoyed them all. For the Temple is a family favorite!

(2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.
