Von Carl Crow : Foreign Devils in the Flowery Kingdom (Tales of Old China) before purchasing it in order to gage whether or not it would be worth my time, and all praised Foreign Devils in the Flowery Kingdom (Tales of Old China):

KurzbeschreibungOriginally published in 1940, this is Carl Crows entertaining autobiography, the story of his more than 25 years of adventures and success in Shanghai during the tumultuous early decades of the 20th century. This book is a tale of East meets West set in the wild and heady days of inter-war China. It is an account of how two cultures clashed, bickering over business deals and social norms as they tried to find a way to live with each other.
