KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Very good reading!Von Arno GrabnerIch hoffe, die anderen Buecher der Serie sind genauso gut und spannend wie dieses 1. Buch! Ich weiss nicht, ob die deutsche Ausgabe genau so gut "rueberkommt" wie die von mir gelesene

Originalausgabe (falls es eine deutsche Ausgabe gibt).

**Kurzbeschreibung**The first novel in the Alpha Four Series. Inside Afghanistan, Bill Anderson heads a secret CIA interrogation site whose methods are so brutal the very knowledge of its existence could prove fatal. His son's death on 9-11 provides the fuel for his vengeance. In a grotesquely macabre way, the rows of hospital beds reminded Bill of the garden beds back home where he would pit himself against the wildlife in a struggle to see which one of them would emerge victorious in securing the garden's harvest. But here in Afghanistan the harvest was truth and information. Vital clues wrenched from unwilling captives could lead to the one responsible for the horror of that day in September. The Taliban lying motionless on the hospital beds were the lucky ones. Their ordeal was over. But for the new arrivals, the screams would begin anew. During the hunt for Bin Laden, the Special Operations team of Alpha Four discovers an abandoned Soviet Bio-weapons lab. Its secret virus, capable of killing untold thousands, has been buried for fifteen years. The CIA will stop at nothing to obtain it, and the Russians will stop at nothing to get it back. Bill's wife Nancy slips deeper into madness over the death of her son Chad. In an attempt to get her husband home, Nancy has an impromptu meeting with the CIA. But her unfortunate choice of words convinces the paranoid CIA that she knows of Operation Garden Harvest. Unknowingly, she has triggered a seldom used protocol, and now Nancy is marked for death. Desperate to save Nancy's life, Bill hopes to force the CIA into a trade. All their secrets, for the life of his wife. But the CIA isn't willing to trade. Enjoy the entire Alpha Four action/adventure series. Book 1: Garden Harvest Book 2: Operation Donnerstag Book 3: Operation Mendosa Book 4: Operation Ghost Bird Book 5: Operation Eminent Domain Book 6: Operation Cobra Blood Book 7: Operation Grim Reaper Book 8: Operation
