Von Allan Peskin : Garfield before purchasing it in order to gage whether or not it would be worth my time, and all praised Garfield:

KundenrezensionenHilfreichste Kundenrezensionen0 von 0 Kunden fanden die folgende Rezension hilfreich. Good Historic Biography about a Little Known PresidentVon Alexander TsesisThis was an interesting biography about an accomplished General, Congressman and President. Peskin has done a great job of discussing both the military and

civilian accomplishments of this great man. The book is usually entertaining and informative; however, at times it becomes a bit dry. Moreover, I wish Peskin would have spent more pages on the academical accomplishments of this one time professor. An interesting read for persons interested in post-reconstructionist United States.

Kurzbeschreibung Winner of the Ohio Academy of History Award, the Ohioana Book Award in History, and a Choice Outstanding Academic Book of the Year. Garfield's military career, the congressional years, the Presidency, receive thorough attention and evaluation, and one of the delights of this massive biography is that Peskin writes so well. This is a brilliant and skillful portrait of a man of many parts, of the political and social landscape of his time. Publishers Weekly Kurzbeschreibung Winner of the Ohio Academy of History Award, the Ohioana Book Award in History, and a Choice Outstanding Academic Book of the Year. Garfield's military career, the congressional years, the Presidency, receive thorough attention and evaluation, and one of the delights of this massive biography is that Peskin writes so well. This is a brilliant and skillful portrait of a man of many parts, of the political and social landscape of his time. Publishers Weekly Synopsis This biography evaluates and examines James A. Garfield's military career, the congressional years and the Presidency. Allan Perkins has had access to the Garfield and other papers, as well as drawing upon other resources of the Reconstruction Era.
